HOW IT WORKS

TO BOOK

Thank you so much for your interest in having your event professionally photographed to remember forever.

Once you're ready to book, please get in touch and I'll email you the T&C's to sign online, along with the invoice for the amount of coverage you'd like to book.

A deposit of 50% of the invoice amount is due to confirm your booking, and the remaining 50% is due 2 weeks before your event.

THE DETAILS

Hopefully we've had a chance to chat on the phone already about the details of your event. Either way though, I like to get in touch again the week of your event to run through some final details to make sure I capture any formalities, or group shots of VIPs you'd like. This will give me a good idea of what photos are most important to you.

AFTER THE EVENT

If you've opted to just have the digital images from your event, they will generally be ready within 2 weeks. You will receive a private gallery where you can download your photos. Prints can also be purchased from your online gallery, and you can share the link with your guests.

If you'd also like to order a custom made album, it's best that we meet in person so we can make sure your album tells a beautiful story. This way, you'll also get to see the range of gorgeous covers available for you to choose from to customise your album even further.

THANK YOU

Thanks again for getting in touch! If you have any questions, or once you're ready to book, you can email me back or give me a call on 041 991 5651.
