PREFERRED SUPPLIERS

HELLO!

One thing I love about being in the wedding industry in Perth, is supporting a group of my absolute favourite wedding suppliers, and getting to share some pretty amazing weddings with them.

I have worked closely with many of Perth's top wedding vendors for many years, and these relationships, as well as my Couple's feedback, has helped me create this preferred suppliers list.

This list is especially for you, in order to help you plan the rest of your wedding with confidence.

Booking a cohesive 'WEDDING TEAM' makes for an even more amazing wedding!

I hope this list helps you in your wedding planning journey, and will give you peace of mind in knowing that my other Couples have also happily used the services of these wonderful vendors on this list.

So on that note, I hope you will find this useful!

Happy planning, and be sure to get in touch if you need any further advice!
